BRIEF ABSTRACT OF LETTER

NOTES AND ORDERS.

The file relating to the construction of a new car for the Kalasa Temple is perhaps thicker by far. The question dealt with in that file is whether the present unfinished car of the said temple should be completed for the use of the temple, as suggested by the D.P.W. or whether it should be disposed of and a new car constructed for the use of the Temple.

NOTES—First Sheet

suggested by the Panchayat Commissioners for the use of the temple of Sri Narasimhaswami at Suggonahalli, Sanction is accorded to construct a car at an estimated cost of Rs 5773. (Vide G.O dated 6/& 7-1936). The Panchayat commissioners has, in consultation with the D.C. Bangalore Dt., now suggested that the half finished car of the Kalasa temple may be made use of, for the Suggonahalli temple, fixing its price at Rs 2400/- and the same completed at a total cost of Rs 5500/- against the sanctioned estimate of Rs 5773, on the altered design. The M.C states that this arrangement would be advantageous to both the temples of Kalasa and Suggonahalli.

3) Regarding the new car for Kalasa temple, the M.C has stated that he would submit separate proposals. The above proposal of the M.C is submitted for orders.
